Subject: [EXTERNAL] Setting Up Meetings

Robyn - I've sent a tentative appointment to discuss the WL RIFS and Schedule for next Tuesday at 2:30. Please check with your team and let me know if that will work. As I am sure is true for you, we are working with limited schedules due to use or lose leave balances and other schedule conflicts. If this date/time will not work, is there another time Monday, Tuesday or Wednesday of next week that will work?

Also, can you send me the email address for Greg Kohler in the St Louis office? I need to set up a call with him regarding a Bridgeton residential sampling plan (not WL related).

Thank you,

Lynn M. Juett
